March 6, 2026

Dear Families,

We are excited to once again offer our Welcome to Kindergarten: Play & Learn Series this spring for children entering Kindergarten in Fall 2026.

Now in our second year, this program has already shown tremendous value for students and families. The Play & Learn Series provides a wonderful opportunity for children—especially those who may feel nervous about starting school—to acclimate to the classroom environment, meet familiar adults, and begin building excitement and confidence for Kindergarten in the fall.

The Play & Learn Series will run from **April 20 to May 14**, offering engaging, play-based sessions twice per week in **Arborg, Gimli, Riverton, and Winnipeg Beach**. Each 60-minute session will take place in a Kindergarten classroom, led by caring staff who specialize in early learning. Children will participate in fun and purposeful activities that focus on:

- Early literacy and language development
- Social-emotional learning
- Fine motor skills
- Familiar school routines and transitions
