In response to stated vision, mission, values and beliefs, the Board expects effective, engaging and caring learning communities.

The Superintendent/CEO will:

1. Ensure that programs and services comply with provincial requirements.
2. Implement assessment and evaluation practices which
 - a) Ensure the achievement of provincial, division and school goals;
 - b) Foster an effective and efficient school system;
 - c) Promote growth and improvement.
3. Establish and enforce administrative procedures to maintain safe and effective environments for all students and staff.
4. Establish a dispute resolution process to be followed if there is disagreement about the appropriateness of the educational programming being provided to a student.
5. Take appropriate action with staff, students or volunteers who demonstrate behaviours, actions, or attitudes that threaten the academic progress and/or well-being of students.
6. Ensure a culture characterized by mutual respect.
7. Inform the Board before implementing a new program if it is potentially controversial.
