Date Amended: October 2006, June 2012, February 2022

PHILOSOPHY

Evergreen School Division believes in a system that fosters respect, caring and good communication within and outside the school division. The major goals and tasks of the employees of the division are to honor these values in the daily interactions with staff, students and the public and to assist in the development and implementation of a quality education system. Confidentiality is an expectation of these positions of trust in our public school system. The Journeyman Mechanic operates as part of the Transportation team that provides efficient, respectful, and effective service to the Division.

GENERAL POSITION DESCRIPTION

- The Journeyman Mechanic is responsible for the maintenance of the Division's fleet and works under the supervision of the Transportation Manager and the direction of the Head Mechanic.

RESPONSIBILITIES AND DUTIES

- Arranges bus inspections as required (including safeties and preventative maintenance) for the purpose of ensuring buses are ready to be on the road the first day of school.
- Attends in-service and safety meetings for the purpose of conveying and/or gathering information required to perform job functions.
- Coordinates with Head Mechanic for the purpose of completing projects and work orders on time.
- Diagnoses vehicle malfunctions for the purpose of determining needed vehicle repairs and/or replacements.
- Inspects assigned vehicles (e.g. brake systems, oil levels, coolant, tire pressure, wiper blades, fan belts, exterior and interior condition, etc.) for the purpose of ensuring that the vehicle is in a safe operating condition.
- Maintains records of repairs, costs, vehicle warranties, etc. for the purpose of documenting required information and meeting regulatory requirements.

- Maintains tools, equipment and/or shop area for the purpose of ensuring safety within the workspace.
- Performs minor body work (e.g. front ends, fenders, etc.) for the purpose of maintaining the appearance and safe operations of the vehicles.
- Performs routine vehicle maintenance program (e.g. oil change, tire rotation, brake check, etc.) for the purpose of maintaining vehicles in a safe operating condition and meeting mandated requirements.
- Prepares written materials (e.g. repair and maintenance logs, parts lists, warranty claims, etc.) for the purpose of documenting activities, providing written reference and meeting mandated requirements.
- Repairs vehicle systems and components, etc. (e.g. diesel/gasoline engines, transmissions, differentials, clutches, etc.) for the purpose of ensuring the availability of vehicles in safe operating condition.
- Responds to road calls regarding disabled vehicles for the purpose of performing emergency repair work in the field.
- Schedules and conducts Safety Inspections as per provincial guidelines.
- Perform such other duties as may be assigned from time to time.

SKILLS / QUALIFICATIONS
