

Student Drop Off Consent Form Administrative Procedure 7.10E

To be completed for all students that are aged 12 or younger. This will only need to be completed once, unless there are changes required to the consent being given.

Student's Name: _____

School: _____

Grade: _____

Please check the appropriate option for your student.

Yes, I have a safety plan in place for my child which allows them to be dropped off at their designated bus stop on their own without a parent, guardian, older sibling, babysitter or neighbor being physically present to walk them home.

No, please keep my child on the bus if I or my designated guardian (as indicated on my child's emergency contact information with the school) are not physically present at the bus stop. I acknowledge that it is my responsibility to pick up my child at their school if the Transportation Department has been unable to reach me at the numbers I have provided.

I understand that if my circumstances change, it is my responsibility to notify my child's school of the change by providing an updated form.
