Schools in Evergreen School Division enjoy a good working relationship with the local RCMP. The attached document 8.65A: **Police Intervention and Communication** is intended to provide school staff a deeper understanding of what can be expected from the RCMP regarding school requests for support, and which communication is requested by the RCMP from schools.

Communication with the RCMP can

- be urgent (911 calls)
- require attention in the immediate short term (calls to the Detachment) or
- be scheduled with a Member with a longer time frame (calls to the School Liaison officer directly)

Calls for service should never be made directly to the Liaison officer but are to be made via the detachment offices in Gimli 204 642 5105 or Arborg 204 376 5251.
