Schools in Evergreen School Division enjoy a good working relationship with the local RCMP. The attached document 8.65A: **Police Intervention and Communication** is intended to provide school staff a deeper understanding of what can be expected from the RCMP regarding school requests for support, and which communication is requested by the RCMP from schools.

Communication with the RCMP can

- be urgent (911 calls);
- require attention in the immediate short term (calls to the Detachment); or
- be scheduled with a Member with a longer time frame (calls to the School Liaison officer directly).

**Calls for service** should never be made directly to the Liaison officer but are to be made via the detachment office in Gimli 204 642 5105.
