“Scent”: a distinctive aroma

“Fragrances”: Refers to any product that produces scent strong enough to be perceived by others. This includes but is not limited to colognes, perfumes, aftershave products, other personal products.

#### **PURPOSE:**

The Evergreen School Division supports a healthy environment for staff, students, parents and visitors as strong scents can be a problem. Efforts will be made to limit exposure to strong scents and fragrances that cause discomfort or impact the health of sensitive individuals.

The use of scented and fragrant products by employees, students and visitors is discouraged. Use may be prohibited if circumstances warrant. The Evergreen School Division will utilize appropriate signage for informing visitors of the fragrance limitations.
